Rockford-Ettco Acquires Procunier

Rockford, IL - High Performance Holdings Ltd., parent of Rockford-Ettco, Rockford, IL based designer and manufacturer of drilling and tapping solutions, announced the acquisition of Procunier Safety Chuck, Lakeland, FL. Terms of the transaction were not disclosed.

“We are very enthusiastic about the synergy created in joining these two fine organizations together”, announced Larry Bull, President and CEO of Rockford-Ettco. “Procunier’s name is synonymous with tapping. The outstanding reputation Procunier enjoys is the result of providing tapping solutions to the world for the past 95 years. Our three product lines: Rockford Drill Head, Ettco, and now Procunier provide our customers with the full array of drilling and tapping solutions. Collectively, these three name brands have been meeting the needs of America’s premier manufacturers for many years.”

“This machine tool industry niche has been ripe for consolidation for some time. It is a mature industry but one with a significant upside, especially as we look for opportunities to market these well known brands internationally. We are very pleased to join forces with the Procunier team and optimistic about our combined future.”
